Dear Mr Vermeltfoort

Material Approval

I am pleased to confirm that VIP Polymers supplies Romacon with repair mats manufactured in EPDM material (reference EW54) which is approved to BS6920 and has WRAS approval number 1501518 (<https://www.wras.co.uk/search/products/vip>). The same material is also approved with ACS (<http://www.sante.gouv.fr/attestation-de-conformite-sanitaire-acs.html>), reference 15 MAT LY 092.

The source of such repair mats can be confirmed with Romacon by sight of VIP Polymers delivery documentation to Romacon referring to the relevant products.

Yours sincerely

Richard Veazey
